Ordinance #1868 provided for the creation and collection of an Excise Tax to be paid at the time of issuing a building permit to offset the costs to the community created by new construction. An exemption was provided in the ordinance for construction that met certain criteria.

I do hereby affirm that I qualify for the exemption from the City of Steamboat Springs Excise Tax for the first \$150,000 of the building permit value by meeting the following criteria:

- I will reside in the dwelling unit, and
- the dwelling unit will be my sole residence, and
- I am currently employed or self-employed in Routt County, and
- the construction value, as stated on the building permit, is \$250,000 or less.

I also understand the City Council shall have the authority, in its sole discretion, to adopt regulations requiring the recapture of exempted and unpaid excise tax if, within three years of the issuance of a building permit for a Qualifying Unit, the Qualifying Unit is sold (a) to a person for whom the Qualifying Unit is not the "sole residence", or (b) to a person who is not employed or self employed in Routt County.

I further understand that I am liable for the payment of the excise tax if the City determines any of the affirmations I have made herein to be false or if I fail to maintain qualifying residency and employment status.
