MEMORANDUM

TO: BUILDING DEPARTMENT STAFF

FROM: MARK W. MARCHUS, C.B.O.

RE: DEFINITION OF BEDROOM

DATE: MAY 11, 1998

There seems to have been some confusion regarding the definition of a sleeping room or bedroom. The confusion has not been with our application, but with the design and construction community. We can clear up the confusion by using the following definition.

SLEEPING ROOM is a room designed or used for the purpose of sleeping and which contains a **closet**.
